LANCE ZOTIGH

lzotigh1@cnm.edu
(505) 715-9267

I am adamant about computers and have been using various computer programs as well as video software, car system management systems, virtual machines/consoles, file management systems, very basic HTML5 and CSS3 language, jailbreaking/root. Making a career out of it was always a dream of mine. I am quick to learn all that I can.
